## Question

- How to get Support through Video?
- Where to watch technical videos on How To's and Troubleshooting HPE products?

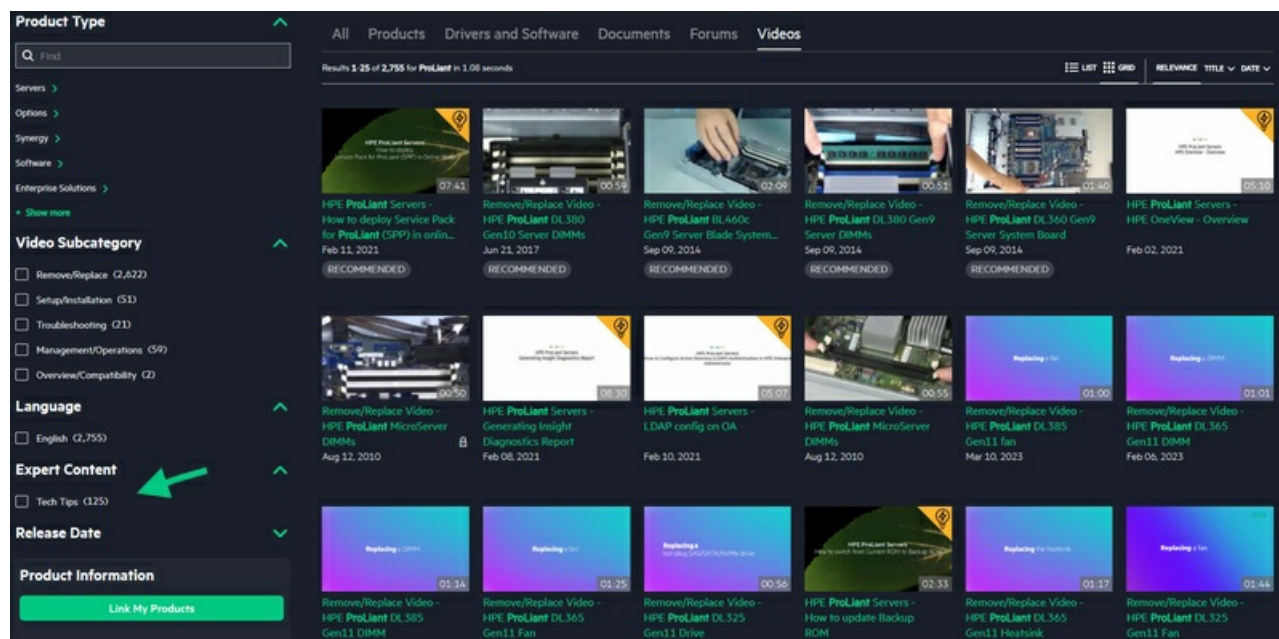

## Answer

[HPE Tech Tips Videos E-Book](#)

[HPE Tech Tips Videos portal](#)

### How to access the Support videos at HPE Support portal?

- Visit the support portal at <https://support.hpe.com>
- Type a keyword in the search box, example: ProLiant
- You will see the results in **ALL** tab.
- Choose **Videos** tab to see the available videos for the searched keyword.
- Or [click here](#) to open the Videos tab with a single click and bookmark the link.
- To see only Tech Tips videos, select the **Tech Tips** check box under **Expert Content**.

### How to access HPE Video Gallery?

- Visit <https://www.hpe.com/media/video>

### How to access HPE Resource Library videos?

- Visit <https://www.hpe.com/us/en/resource-library.html/restype/video>

### How to access HPE at YouTube?

- Visit <https://www.youtube.com/@HPE>
